

Thank you for your interest in submitting an abstract for the upcoming Scientific Session. This document is intended to be your guide in using the online submission software and we strongly suggest you print this out for future reference. If you have any questions regarding the abstract process or the use of the submission site, please call 310-437-0544 and ask to speak to Dan Berlant (x118) or Jason Levine (x100). You may also email abstracts@sages.org with your questions and comments.

The abstract submission system includes the following features:

User Accounts:

All users must register to use the system. All abstracts submitted by an account can be viewed and managed from the account. Abstracts may be edited or deleted without having to contact the SAGES office.

Save for Later:

If you need to leave before finishing a submission, simply logout and log back in later. Your abstract will be saved at the last point you saved data.

Improved Support for Special Characters, Images, and Table:

Most of the standard ASCII character set can be copied from your word processor and into the abstract text. Abstracts may now contain formatting, multiple images and tables, and improved scientific character recognition.

IMPORTANT DATE:

**THE SUBMISSION DEADLINE FOR
ALL ABSTRACTS AND VIDEOS IS
SEPTEMBER 20, 2024
11:59 PM PT**

(The deadline will not be extended and no late submissions will be accepted!)

Part 1a – Technical Requirements

We have tested the software with multiple browsers and operating systems. Please use one of the following to access the abstract submission system.

Browsers:

Windows:

MS Internet Explorer 9 or newer

Current versions of:

- Firefox
- Chrome

Macintosh:

Current versions of:

- Safari
- Firefox
- Chrome

Mobile Devices:

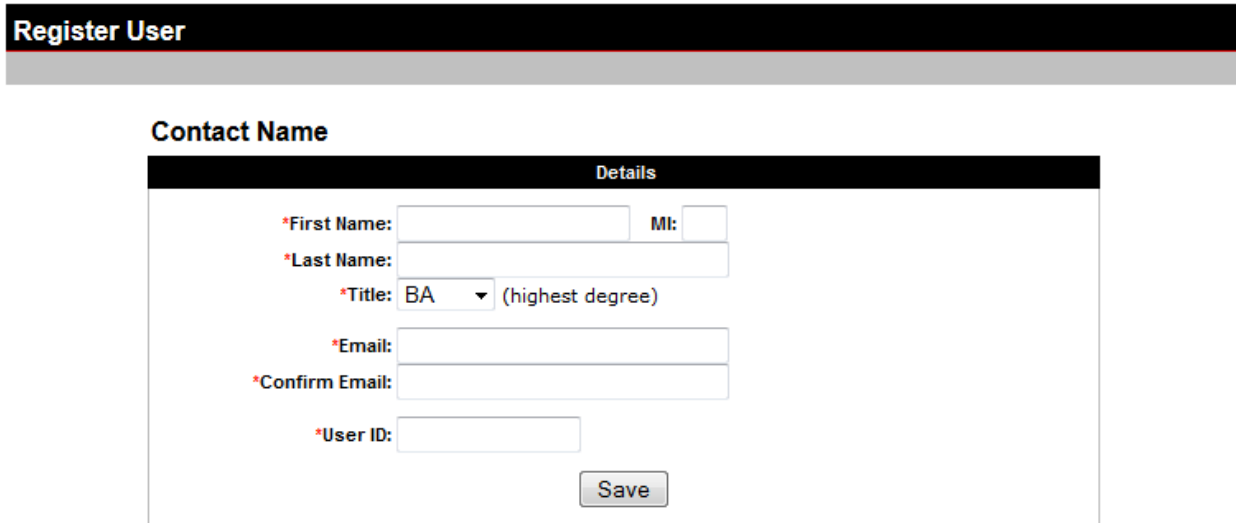

We do not currently support mobile browsers

Screen Resolution:

We recommend setting your screen resolution to **AT LEAST** 800x600 pixels. Users with a screen resolution of 640x480 pixels will have a hard time navigating the site. What you see will vary depending on your computer and browser settings.

Part 2 – Creating a New Account

You must create an account before you can submit abstracts for this meeting. Each user account can submit an unlimited number of abstracts. If your institution is planning on submitting multiple abstracts, it may be to your benefit to coordinate all submissions under one account for easier management. Once you have clicked on the link to create a new account (from [Part 1](#)), you will see the following screen:

The screenshot shows a web form titled "Register User" with a sub-section "Contact Name". The form is titled "Details" and contains the following fields:

- *First Name: MI:
- *Last Name:
- *Title: BA (highest degree) [dropdown menu]
- *Email:
- *Confirm Email:
- *User ID:

A "Save" button is located at the bottom right of the form.

Please fill out this form completely, as all fields (except Middle Initial) are required. This is the main Contact Name for the entire account. Individual abstracts can have a different contact name if desired.

You **MUST** enter a valid email address and you **MUST** be able to check that address for new messages to receive the password to log in. Additionally we recommend you whitelist @submitmyabstract.com email addresses in your spam filter to prevent the message from being blocked. Passwords are automatically generated and emailed to verify the email address. This step is necessary because we will be conducting communications almost entirely by email. After submitting the above form, you should receive the password by email within 5 minutes. If no email is received after 10 minutes, please contact the [SAGES Office](#) for assistance.

Part 3 – Logging In

By now, you have created an account using the form from [Part 2](#) and you have received your password by email to the address you provided. The randomly generated password will look something like this:

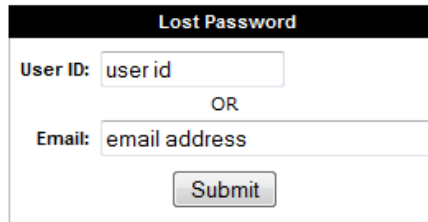

6TZldrK3S2

Follow the link in the email to go back to the abstract site login screen and enter the User ID you created into the User ID box (see below). The passwords **ARE CASE SENSITIVE**, so you must enter capital and lowercase letters exactly as shown in the email. ***We suggest that you copy and paste the password from the email into the login box.*** Once you have entered your User ID and password, click the **Submit** button to log in.

Part3a – Resetting a Forgotten Password

Upon clicking the “**Forgot your password? Click here**” link on the login screen, you will be taken to the password reset screen:

Abstract Submission and Management

OR

Email:

Enter **EITHER** your user ID **OR** your email address above and click the **Submit** button. The password for that account will be reset to a new randomly generated value and emailed to the address provided when you created the account. If you do not receive the new password within 5 or 10 minutes, please contact the [SAGES office](#) for technical support.

Abstract Submission: Titles, Authors & Institutions

*Abstract Title:

*Author(s):

In accordance with ACCME regulations, the accredited provider for this activity must ensure that anyone who is in a position to control the content of the education activity has disclosed to us ALL financial relationships with any ineligible company (formerly "commercial interest" - see below for definitions). Should it be determined that a conflict of interest exists as a result of a financial relationship you may have, you will be contacted and methods to mitigate the conflict will be discussed with you. In addition, all affirmative disclosures must be revealed by a slide at the beginning of the presentation or note that you have nothing to disclose. Failure or refusal to disclose or the inability to resolve the identified conflict will result in the withdrawal of the invitation to participate.

Ineligible companies (formerly commercial interests) are those whose primary business is producing, marketing, selling, re-selling, or distributing healthcare products used by or on patients.

Examples of such organizations include:

- Device manufacturers or distributors
- Pharmaceutical companies or distributors
- Bio-medical startups that have begun a governmental regulatory approval process
- Growers, distributors, manufacturers or sellers of medical foods and dietary supplements
- Manufacturers of health-related wearable products

The ACCME does not consider providers of clinical service directly to patients to be ineligible companies. (<https://www.accme.org/accreditation-rules/standards-for-integrity-independence-accredited-ce/eligibility>)

Length of Financial Relationships: The ACCME requires disclosure of financial relationships with ineligible companies in the 24-month period preceding the time that the individual is being asked to assume a role controlling content of the CME activity. You do not need to disclose your spouse/partner's relationships.

What to Disclose: ACCME requires that individuals disclose ALL financial relationships with ineligible companies.

Enter the abstract title in the first field on this screen. The title is limited to 254 characters.

Click **Add Author** to begin adding the First (Primary) Author.

*First Name or Initial: MI:

*Last Name:

Title(s): (separate multiples with a space, i.e. PhD RN)

Cell Phone:

Email:

*Institution:

*Training Status: Student Resident Fellow N/A

*Has this author had within the last 24 months a financial relationship with an ineligible company?
 Yes No

Enter in the author's Name, Title, Cell Phone, Email, Institution and Training Status. Then check-off if there is a financial relationship to disclose for the author.

SAGES, adhering to the policies of the ACCME, must insure balance, independence, objectivity, and scientific rigor in all its educational activities. The ACCME states "the owners and employees of ineligible companies are considered to have unresolvable financial relationships and must be excluded from participating as planners or faculty, and must not be allowed to influence or control any aspect of the planning, delivery, or evaluation of accredited continuing education, except in the limited circumstances outlined in [Standard 3.2](#)." Therefore, the SAGES Conflict of Interest Committee (CIC) declares that no employees/owners of an ineligible company may present in SAGES CME accredited sessions. This policy is applicable to abstract authors and presenters.

Click [here](#) to view the ACCME's definition of ineligible company, owner and employee.

Please contact erin@sages.org with any questions regarding SAGES Policy on Owner/Employee of Ineligible Companies.

It is at this point where you must disclose any and all relevant financial relationships with Ineligible Companies. If there is nothing to disclose, select **No**; you be taken back to the previous page where you may add more authors. If there is anything to disclose, select **Yes**; you will be taken to another page to enter your disclosure(s) and conflict of interest management strategy.

If selected for presentation, on behalf of the authors of this abstract/video, I transfer copyright for print and/or electronic reproduction of the presentation at the 2025 SAGES Annual Meeting, to SAGES and to SAGES's Associated Journal - *Surgical Endoscopy*, for publication.

I understand that in accordance with SAGES's CME policy, all content authors are required to disclose all financial relationship(s) with ACCME-defined "ineligible companies" (formerly

"commercial interests") – see below for definitions. Also, no content author may be an employee/owner of a ineligible company.

According to the Accreditation Council for Continuing Medical Education (ACCME), ineligible companies (formerly commercial interests) are those whose primary business is producing, marketing, selling, re-selling, or distributing healthcare products used by or on patients. Examples of such organizations include:

- Device manufacturers or distributors
- Pharmaceutical companies or distributors
- Bio-medical startups that have begun a governmental regulatory approval process
- Growers, distributors, manufacturers or sellers of medical foods and dietary supplements
- Manufacturers of health-related wearable products

Full definition and a list of all exceptions can be found at <https://www.accme.org/accreditation-rules/standards-for-integrity-independence-accredited-ce/eligibility>

I understand that no abstract will be accepted for the CME sessions if any of the content authors are employees/owners of a relevant ineligible company.
